You can also scroll on the home page and find different 'categories' – much like on Netflix or other streaming services... such as What's Trending, This Week on FORMED, FORMED's Favourites, Kids, The Blessed Virgin Mary, Saints, The Sacraments, Mental Health and Faith, etc.

For specific Liturgical seasons at certain times of the year, there will be a tab for that season such as Advent, Lent, etc. as shown in the images below.

Many of the tabs have drop down menus as indicated by the down arrow. Once you make your choice, you again scroll down to see the variety of resource options.

3. If you'd like to find the various resources categorized in more specific ways, choose the Help tab and then Leaders Resources.

4. Choose Seasons

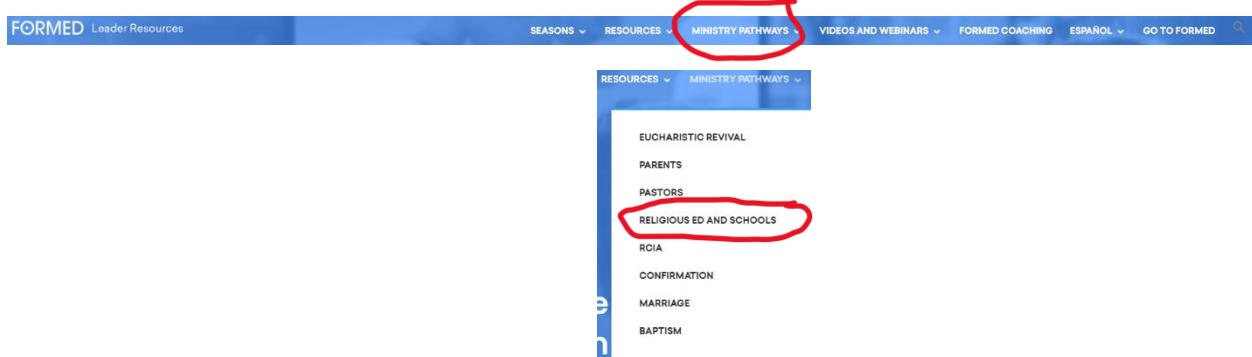

5. Choose the season from the drop down menu that is applicable to the current season.

6. Feel free to check out anything on the page you open. As you scroll down you will see links to access various resources. Be sure to scroll all the way to the bottom to see all the options.

### Another Pathway

7. When you are in the Leader Resources - #3 above, you can select 'Ministry Pathways' to access 'Religious Ed and Schools.'

8. Once there, you can scroll down to find resources categorized for Elementary School Students, Middle School Students, and High School Students as well as many other resources and resource suggestions such as...

- Resources organized according to the Liturgical Calendar
- Homework assignment ideas
- Resources related to science, history, and literature
- Staff Development/Team Building
- and more!

As you explore, you will find much more! These are just some of the pathways I have discovered as I peruse and use the resource.
