PROCEDURE:	LEVEL 1 OUT OF SCHOOL TRIP – PERMISSION FORM		

BACKGROUND

Many learning opportunities happen within the community and surrounding vicinity. This consent form has been developed to ensure that parents/guardians are aware that students may, from time to time, leave the school grounds during the day. Students will always be under the direction of a teacher during such trips and normally would be walking or in a school division vehicle. Examples of such trips would be to religious celebrations, visiting the library, fire hall, retirement home, land-based learning, etc.

Parents/Guardians will be informed of excursions before they occur.

I hereby consent that my child _____ may be taken on community trips authorized by Christ the Teacher Catholic School Division.
