Pilgrims of Hope

Each day, activities and themes intended to deepen student understanding of aspects of the theme “Pilgrims of Hope” took place.

Rosary Making

Throughout the month of May, schools participated in working with community members to pray the rosary and make their own. Thank you to all community members who assisted.

Treaty Education & Reconciliation

Throughout the school year, students and staff participate in a variety of learning opportunities and activities supporting their understanding of treaty education and truth and reconciliation. Pictured below are students participating in Red Dress Day, AMPO, and other school and community events.

Band & Choir Concerts

Schools hosted year end Band and Choir Concerts throughout June. Thanks to all who led, participated in, & attended the various performances. Special congratulations to all who performed at Music Festivals, to the Sacred Heart High School Choir who was selected as the winner of the Saskatchewan Choral Federation School Music Scholarship, and the SHHS Chamber Choir who will compete as part of Team Sask at the Canada West Performing Arts Festival in July.

Agriculture in the Classroom

Agriculture in the Classroom connects kids and agriculture through innovative and experiential programs. Students from a number of CTCS schools visited farms for hands-on learning opportunities about Saskatchewan agriculture and where our food comes from.
